Controls			
<input type="checkbox"/>	without controls		
<input type="checkbox"/>	controls (refer to controls list)		

¹ All parts are colour co-ordinated, however not all parts are available in the exact rail colours. If a part is not available in the desired colour, a white version is provided. For specific requests please contact Goelst Nederland B.V.;

² If no number of supports is mentioned, the number will be determined by Goelst;

³ When ordering a system with bends, always provide a completed bending form (available at www.goelst.com).
